Consent for Services: I understand that, while remarkably safe, vaccines can, in rare instances, cause complications including death. I agree to accept this risk in order to decrease my chances of contracting a serious preventable disease.

I also understand that CVMC OHS does not file claims for nor accept any form of insurance payment for travel visits. I understand that my health insurance is a contract between me and my insurance company. I understand that CVMC OHS will not refund any difference between my insurance reimbursement and CVMC OHS charges.

I certify that the above information is correct
